Box Tops for Education

Did you know that we collect Box Tops and Labels for Education?

Were you aware that we can earn money by collecting box tops off General Mills, Betty Crocker, and Yoplait?

Each box top is worth \$0.10. Last year we earned over \$140.00 just from collecting box tops off of products you use every day. If you don't remember what they look like, here is an example...

Our goal for the 2017-2018 school year is \$400.
Together, we can achieve this goal.
